BOND NO. B008837

## PERFORMANCE BOND

KNOW ALL PERSONS BY THESE PRESENTS:

THAT, **Fieldwood Energy Offshore LLC** ("Principal"), a Delaware limited liability company, with its principal offices at 2000 W. Sam Houston Parkway South, Suite 1200, Houston, TX 77042, and **U.S. Specialty Insurance Company** ("Surety"), with an office at 13403 Northwest Freeway, Houston, Texas 77040, are held and firmly bound unto **JX Nippon Oil Exploration (U.S.A.) Limited** ("Obligee"), with its principal office at One Riverway, Suite 1600, Houston, TX 77056, in the penal sum of One Million Six Hundred Fifty One Thousand Eight Hundred Fifty One and No/100 Dollars (\$1,651,851.00) lawful money of the United States of America for the payment of which penal sum Principal and Surety bind themselves, their successors and assigns, jointly, severally, and in solido, firmly by these presents.

WHEREAS, Principal has entered into a Purchase and Sale Agreement (the "Agreement") with Black Elk Energy Offshore Operations, LLC ("Black Elk") dated as of March 13, 2014, as amended, which provides for the sale and assignment, from Black Elk to the Principal, of the interests of Black Elk in certain oil and gas leases and properties including the oil and gas lease described on Annex 1 to this Bond (whether one or more, the "Lease"), together with all rights and obligations in connection therewith, and also provides for the sale and assignment to Principal of all wells (whether one or more, the "Well"), platforms, facilities, equipment, pipelines and personal property existing on the Lease as of the date of the Agreement (the Lease, the Well and such platforms, facilities, equipment, pipelines and personal property being collectively referred to as the "Property");

WHEREAS, Principal and Surety agree that notwithstanding the subsequent termination of the Lease, whether by operation of law or otherwise, this Bond shall remain in full force and effect until the P&A Obligations (as such term is defined below) have been fully performed and discharged;

WHEREAS, as used in this Bond the term "P&A Obligations" means all obligations and liabilities of Principal concerning: (i) properly plugging, re-plugging and abandoning the Well, (ii) the dismantling, decommissioning, abandoning and removing of the Well and Property, and (iii) cleaning up, restoration and/or remediation of the Property in accordance with the Lease, regulations, orders and directives of the U.S. Department of the Interior, Bureau of Ocean Energy Management ("BOEM") and any other state or federal governmental authority; and applicable laws (including environmental laws);

WHEREAS, Principal has promised to deliver to Obligee this Bond in connection with the consummation of the sale and assignment of the Property to Principal pursuant to the Agreement and in connection with that certain Assumption Agreement dated as of June 5th, 2014, by and between Principal, Obligee and Black Elk ("Assumption Agreement");

WHEREAS, Surety represents that it is duly authorized by the proper public authorities to transact the business of indemnity and suretyship in the state where it executed this Bond, and represents that it is qualified to be surety and guarantor on bonds and undertakings, which certificate has not been revoked; and

BOND NO. B008837

WHEREAS, Surety represents that it has duly executed a power of attorney, appointing the hereinafter named representative as its duly authorized deputy, as the true and lawful attorney-in-fact of such Surety, upon whom may be served all lawful process in any action or proceeding against such Surety in any court or before any officer, arising out of or founded upon this Bond or any liability hereunder; and does hereby agree and consent that such service, when so made, shall be valid service upon it, and that such appointment shall continue in force and effect and be irrevocable so long as any liability against it remains outstanding hereunder.

NOW THEREFORE, notwithstanding anything contained herein to the contrary, if said Principal or Surety shall fully perform and discharge the P&A Obligations in respect of the Property (as evidenced by providing to Obligee evidence reasonably acceptable to Obligee reflecting that the P&A Obligations have been fully performed, together with an affidavit signed by an officer of Principal attesting to such performance and identifying the Property associated with the performance of such P&A Obligations), then this Bond and the obligations hereunder shall be null and void.

ADDITIONALLY, if as to any Property, Obligee is required by the BOEM, or other governmental authority, to perform any of the P&A Obligations (or a demand is made upon Obligee by a co-obligor of Principal to contribute toward the costs of performing any of the P&A Obligations), then prior to any performance by Obligee with respect to the P&A Obligations (or payment by Obligee to Principal's co-obligor of a share of the estimated costs of performing the P&A Obligations if a demand for such payment is made on Obligee), Surety agrees to pay to Obligee an amount reasonably estimated by Obligee as necessary or appropriate to perform the P&A Obligations (or to pay its share of the estimated costs for the P&A Obligations if demand is made by Principal's co-obligor) in an amount up to, but not exceeding, the penal amount of this Bond.

FURTHERMORE, it is agreed that Surety shall have no obligation to Principal, Obligee or any other person or entity for any loss suffered by Principal, Obligee or any other person or entity by reason of acts or omissions which are or could be covered by Obligee's or Principal's general liability insurance, products liability insurance or completed operations insurance. In no event shall Surety be obligated to pay, in the aggregate, for all claims hereunder, an amount exceeding the penal sum of this Bond.

It is further agreed that Surety shall not be liable for any provisions of the Agreement or specifications respecting the procurement of or coverages provided by an insurance, nor shall Surety be liable under any hold harmless and/or indemnification agreements entered into by Principal in relation to personal injury or property damage or any other loss sustained by third parties in any way connected to or arising out of the work and/or operations of any party in performing the P&A Obligations.

If Principal fails to perform any of the P&A Obligations in accordance with the terms of the Agreement, then Principal shall have 30 days following receipt of notice of default from Obligee in which to fully cure or remedy such default. Obligee agrees to provide Surety with a copy of each such default notice. If the default covered by such default notice is not cured or remedied within such 30 day period, then upon the expiration of such 30 day period such default shall constitute a "Principal Default" for purposes of this Bond. Any suit under this Bond with

BOND NO. B008837

respect to a Principal Default must be instituted before the expiration of one (1) year from the date of such Principal Default, and subject to such one (1) year time limitation, Surety irrevocably consents to be sued in any court in the State of Texas, hereby irrevocably submitting itself to the jurisdiction of said courts.

No amendment of or supplement to the terms or provisions of the Agreement or of the Exhibits of Schedules attached thereto shall release Principal and Surety or any of them from their liability under this Bond, notice to Surety of any such amendment or supplement being hereby waived.

No (i) assignment of the Agreement or of the Lease by Principal, its successors and assigns, (ii) delay, neglect or failure of Obligee to proceed promptly to enforce the Agreement or to proceed promptly in the premises in case of any default on the part of Principal, (iii) lack of enforceability or other defense or offset right in respect of any obligation of Principal or right of Obligee under the Agreement or otherwise in respect of the P&A Obligations, or (iv) the insolvency, bankruptcy or receivership of Principal, shall in any degree relieve Principal or Surety (as applicable) of any of its obligations under this Bond.

HOWEVER, if upon assignment of the Agreement or the Lease or any of the Property by Principal, its successors or assigns, Principal shall cause its assignee (i) to post security with Obligee, in the form of a bond or other security, in the amount of and covering the same obligations as stated herein, and otherwise containing terms and issued by parties that are approved by Obligee and (ii) to assume (in a written instrument approved by Obligee) all P&A Obligations in respect of the Property, then Obligee will accept such security in lieu of this Bond and issue an unconditional release of this Bond within 60 days of Obligee's acceptance of such other security (provided, there shall be excluded from such release any obligations required to be performed by Principal or Surety under this Bond prior to the date of such assignment; and provided further, no such release of this Bond shall limit or modify any of the obligations of the Principal under the Agreement).

No right or action shall accrue on this Bond to or for the use of any person or entity other than Principal and Obligee and their respective successors and assigns.

This Bond may not be amended, supplemented or modified except pursuant to a written instrument duly executed by Principal and Surety and consented to in writing by Obligee, whether pursuant to the terms and provisions of the Assumption Agreement or as mutually agreed to by such parties. No course of conduct, dealing or performance shall amend, supplement or modify this Bond unless incorporated into a written instrument referenced in the preceding sentence. This Bond shall be governed by and construed in accordance with the laws of the State of Texas, excluding its conflicts of laws, rules and principles.

Obligee will issue a release of this Bond within a reasonable time period following the earlier to occur of (i) the full performance of the P&A Obligations by Principal and (ii) the full performance by Surety of its obligations under this Bond, but in no instance later than 30 days following Surety or Principal providing to Obligee evidence reasonably acceptable to Obligee reflecting that the P&A Obligations have been fully performed, together with an affidavit signed

BOND NO. B008837

by an officer of Principal attesting to such performance and identifying the Property associated with the performance of such P&A Obligations.

IN WITNESS WHEREOF, the Principal and Surety have executed this instrument under their seals this 5<sup>th</sup> day of June, 2014, the name and seal of each such party being hereto affixed and those presents duly signed by its undersigned representative pursuant to authority of its governing body.

## PERFORMANCE BOND

KNOW ALL PERSONS BY THESE PRESENTS:

THAT, **Fieldwood Energy Offshore LLC** ("Principal"), a Delaware limited liability company, with its principal offices at 2000 W. Sam Houston Parkway South, Suite 1200, Houston, TX 77042, and **U.S. Specialty Insurance Company** ("Surety"), with an office at 13403 Northwest Freeway, Houston, Texas 77040, are held and firmly bound unto **JX Nippon Oil Exploration (U.S.A.) Limited** ("Obligee"), with its principal office at One Riverway, Suite 1600, Houston, TX 77056, in the penal sum of One Hundred Fifteen Thousand Nine Hundred Eighty Eight and No/100 Dollars (\$115,988.00) lawful money of the United States of America for the payment of which penal sum Principal and Surety bind themselves, their successors and assigns, jointly, severally, and in solido, firmly by these presents.

WHEREAS, Principal has entered into a Purchase and Sale Agreement (the "Agreement") with Black Elk Energy Offshore Operations, LLC ("Black Elk") dated as of March 13, 2014, as amended, which provides for the sale and assignment, from Black Elk to the Principal, of the interests of Black Elk in certain oil and gas leases and properties including the oil and gas lease described on Annex 1 to this Bond (whether one or more, the "Lease"), together with all rights and obligations in connection therewith, and also provides for the sale and assignment to Principal of all wells (whether one or more, the "Well"), platforms, facilities, equipment, pipelines and personal property existing on the Lease as of the date of the Agreement (the Lease, the Well and such platforms, facilities, equipment, pipelines and personal property being collectively referred to as the "Property");

WHEREAS, Principal and Surety agree that notwithstanding the subsequent termination of the Lease, whether by operation of law or otherwise, this Bond shall remain in full force and effect until the P&A Obligations (as such term is defined below) have been fully performed and discharged;

WHEREAS, as used in this Bond the term "P&A Obligations" means all obligations and liabilities of Principal concerning: (i) properly plugging, re-plugging and abandoning the Well, (ii) the dismantling, decommissioning, abandoning and removing of the Well and Property, and (iii) cleaning up, restoration and/or remediation of the Property in accordance with the Lease, regulations, orders and directives of the U.S. Department of the Interior, Bureau of Ocean Energy Management ("BOEM") and any other state or federal governmental authority; and applicable laws (including environmental laws);

WHEREAS, Principal has promised to deliver to Obligee this Bond in connection with the consummation of the sale and assignment of the Property to Principal pursuant to the Agreement and in connection with that certain Assumption Agreement dated as of June 5th, 2014, by and between Principal, Obligee and Black Elk ("Assumption Agreement");

WHEREAS, Surety represents that it is duly authorized by the proper public authorities to transact the business of indemnity and suretyship in the state where it executed this Bond, and represents that it is qualified to be surety and guarantor on bonds and undertakings, which certificate has not been revoked; and

BOND NO. B008838

WHEREAS, Surety represents that it has duly executed a power of attorney, appointing the hereinafter named representative as its duly authorized deputy, as the true and lawful attorney-in-fact of such Surety, upon whom may be served all lawful process in any action or proceeding against such Surety in any court or before any officer, arising out of or founded upon this Bond or any liability hereunder; and does hereby agree and consent that such service, when so made, shall be valid service upon it, and that such appointment shall continue in force and effect and be irrevocable so long as any liability against it remains outstanding hereunder.

NOW THEREFORE, notwithstanding anything contained herein to the contrary, if said Principal or Surety shall fully perform and discharge the P&A Obligations in respect of the Property (as evidenced by providing to Obligee evidence reasonably acceptable to Obligee reflecting that the P&A Obligations have been fully performed, together with an affidavit signed by an officer of Principal attesting to such performance and identifying the Property associated with the performance of such P&A Obligations), then this Bond and the obligations hereunder shall be null and void.

ADDITIONALLY, if as to any Property, Obligee is required by the BOEM, or other governmental authority, to perform any of the P&A Obligations (or a demand is made upon Obligee by a co-obligor of Principal to contribute toward the costs of performing any of the P&A Obligations), then prior to any performance by Obligee with respect to the P&A Obligations (or payment by Obligee to Principal's co-obligor of a share of the estimated costs of performing the P&A Obligations if a demand for such payment is made on Obligee), Surety agrees to pay to Obligee an amount reasonably estimated by Obligee as necessary or appropriate to perform the P&A Obligations (or to pay its share of the estimated costs for the P&A Obligations if demand is made by Principal's co-obligor) in an amount up to, but not exceeding, the penal amount of this Bond.

FURTHERMORE, it is agreed that Surety shall have no obligation to Principal, Obligee or any other person or entity for any loss suffered by Principal, Obligee or any other person or entity by reason of acts or omissions which are or could be covered by Obligee's or Principal's general liability insurance, products liability insurance or completed operations insurance. In no event shall Surety be obligated to pay, in the aggregate, for all claims hereunder, an amount exceeding the penal sum of this Bond.

It is further agreed that Surety shall not be liable for any provisions of the Agreement or specifications respecting the procurement of or coverages provided by an insurance, nor shall Surety be liable under any hold harmless and/or indemnification agreements entered into by Principal in relation to personal injury or property damage or any other loss sustained by third parties in any way connected to or arising out of the work and/or operations of any party in performing the P&A Obligations.

If Principal fails to perform any of the P&A Obligations in accordance with the terms of the Agreement, then Principal shall have 30 days following receipt of notice of default from Obligee in which to fully cure or remedy such default. Obligee agrees to provide Surety with a copy of each such default notice. If the default covered by such default notice is not cured or remedied within such 30 day period, then upon the expiration of such 30 day period such default shall constitute a "Principal Default" for purposes of this Bond. Any suit under this Bond with

BOND NO. B008838

respect to a Principal Default must be instituted before the expiration of one (1) year from the date of such Principal Default, and subject to such one (1) year time limitation, Surety irrevocably consents to be sued in any court in the State of Texas, hereby irrevocably submitting itself to the jurisdiction of said courts.

No amendment of or supplement to the terms or provisions of the Agreement or of the Exhibits of Schedules attached thereto shall release Principal and Surety or any of them from their liability under this Bond, notice to Surety of any such amendment or supplement being hereby waived.

No (i) assignment of the Agreement or of the Lease by Principal, its successors and assigns, (ii) delay, neglect or failure of Obligee to proceed promptly to enforce the Agreement or to proceed promptly in the premises in case of any default on the part of Principal, (iii) lack of enforceability or other defense or offset right in respect of any obligation of Principal or right of Obligee under the Agreement or otherwise in respect of the P&A Obligations, or (iv) the insolvency, bankruptcy or receivership of Principal, shall in any degree relieve Principal or Surety (as applicable) of any of its obligations under this Bond.

HOWEVER, if upon assignment of the Agreement or the Lease or any of the Property by Principal, its successors or assigns, Principal shall cause its assignee (i) to post security with Obligee, in the form of a bond or other security, in the amount of and covering the same obligations as stated herein, and otherwise containing terms and issued by parties that are approved by Obligee and (ii) to assume (in a written instrument approved by Obligee) all P&A Obligations in respect of the Property, then Obligee will accept such security in lieu of this Bond and issue an unconditional release of this Bond within 60 days of Obligee's acceptance of such other security (provided, there shall be excluded from such release any obligations required to be performed by Principal or Surety under this Bond prior to the date of such assignment; and provided further, no such release of this Bond shall limit or modify any of the obligations of the Principal under the Agreement).

No right or action shall accrue on this Bond to or for the use of any person or entity other than Principal and Obligee and their respective successors and assigns.

This Bond may not be amended, supplemented or modified except pursuant to a written instrument duly executed by Principal and Surety and consented to in writing by Obligee, whether pursuant to the terms and provisions of the Assumption Agreement or as mutually agreed to by such parties. No course of conduct, dealing or performance shall amend, supplement or modify this Bond unless incorporated into a written instrument referenced in the preceding sentence. This Bond shall be governed by and construed in accordance with the laws of the State of Texas, excluding its conflicts of laws, rules and principles.

Obligee will issue a release of this Bond within a reasonable time period following the earlier to occur of (i) the full performance of the P&A Obligations by Principal and (ii) the full performance by Surety of its obligations under this Bond, but in no instance later than 30 days following Surety or Principal providing to Obligee evidence reasonably acceptable to Obligee reflecting that the P&A Obligations have been fully performed, together with an affidavit signed

BOND NO. B008838

by an officer of Principal attesting to such performance and identifying the Property associated with the performance of such P&A Obligations.

IN WITNESS WHEREOF, the Principal and Surety have executed this instrument under their seals this 5<sup>th</sup> day of June, 2014, the name and seal of each such party being hereto affixed and those presents duly signed by its undersigned representative pursuant to authority of its governing body.

BOND NO. B008839

**PEFORMANCE BOND**

KNOW ALL PERSONS BY THESE PRESENTS:

THAT, **Fieldwood Energy Offshore LLC** (“Principal”), a Delaware limited liability company, with its principal offices at 2000 W. Sam Houston Parkway South, Suite 1200, Houston, TX 77042, and **U.S. Specialty Insurance Company** (“Surety”), with an office at 13403 Northwest Freeway, Houston, Texas 77040, are held and firmly bound unto **JX Nippon Oil Exploration (U.S.A.) Limited** (“Obligee”), with its principal office at One Riverway, Suite 1600, Houston, TX 77056, in the penal sum of One Million Six Hundred Seventy Six Thousand Five Hundred Fifty Six and No/100 Dollars (\$1,676,556.00) lawful money of the United States of America for the payment of which penal sum Principal and Surety bind themselves, their successors and assigns, jointly, severally, and in solido, firmly by these presents.

WHEREAS, Principal has entered into a Purchase and Sale Agreement (the “Agreement”) with Black Elk Energy Offshore Operations, LLC (“Black Elk”) dated as of March 13, 2014, as amended, which provides for the sale and assignment, from Black Elk to the Principal, of the interests of Black Elk in certain oil and gas leases and properties including the oil and gas lease described on Annex 1 to this Bond (whether one or more, the “Lease”), together with all rights and obligations in connection therewith, and also provides for the sale and assignment to Principal of all wells (whether one or more, the “Well”), platforms, facilities, equipment, pipelines and personal property existing on the Lease as of the date of the Agreement (the Lease, the Well and such platforms, facilities, equipment, pipelines and personal property being collectively referred to as the “Property”);

WHEREAS, Principal and Surety agree that notwithstanding the subsequent termination of the Lease, whether by operation of law or otherwise, this Bond shall remain in full force and effect until the P&A Obligations (as such term is defined below) have been fully performed and discharged;

WHEREAS, as used in this Bond the term “P&A Obligations” means all obligations and liabilities of Principal concerning: (i) properly plugging, re-plugging and abandoning the Well, (ii) the dismantling, decommissioning, abandoning and removing of the Well and Property, and (iii) cleaning up, restoration and/or remediation of the Property in accordance with the Lease, regulations, orders and directives of the U.S. Department of the Interior, Bureau of Ocean Energy Management (“BOEM”) and any other state or federal governmental authority; and applicable laws (including environmental laws);

WHEREAS, Principal has promised to deliver to Obligee this Bond in connection with the consummation of the sale and assignment of the Property to Principal pursuant to the Agreement and in connection with that certain Assumption Agreement dated as of June 5th, 2014, by and between Principal, Obligee and Black Elk (“Assumption Agreement”);

WHEREAS, Surety represents that it is duly authorized by the proper public authorities to transact the business of indemnity and suretyship in the state where it executed this Bond, and represents that it is qualified to be surety and guarantor on bonds and undertakings, which certificate has not been revoked; and

BOND NO. B008839

WHEREAS, Surety represents that it has duly executed a power of attorney, appointing the hereinafter named representative as its duly authorized deputy, as the true and lawful attorney-in-fact of such Surety, upon whom may be served all lawful process in any action or proceeding against such Surety in any court or before any officer, arising out of or founded upon this Bond or any liability hereunder; and does hereby agree and consent that such service, when so made, shall be valid service upon it, and that such appointment shall continue in force and effect and be irrevocable so long as any liability against it remains outstanding hereunder.

NOW THEREFORE, notwithstanding anything contained herein to the contrary, if said Principal or Surety shall fully perform and discharge the P&A Obligations in respect of the Property (as evidenced by providing to Obligee evidence reasonably acceptable to Obligee reflecting that the P&A Obligations have been fully performed, together with an affidavit signed by an officer of Principal attesting to such performance and identifying the Property associated with the performance of such P&A Obligations), then this Bond and the obligations hereunder shall be null and void.

ADDITIONALLY, if as to any Property, Obligee is required by the BOEM, or other governmental authority, to perform any of the P&A Obligations (or a demand is made upon Obligee by a co-obligor of Principal to contribute toward the costs of performing any of the P&A Obligations), then prior to any performance by Obligee with respect to the P&A Obligations (or payment by Obligee to Principal's co-obligor of a share of the estimated costs of performing the P&A Obligations if a demand for such payment is made on Obligee), Surety agrees to pay to Obligee an amount reasonably estimated by Obligee as necessary or appropriate to perform the P&A Obligations (or to pay its share of the estimated costs for the P&A Obligations if demand is made by Principal's co-obligor) in an amount up to, but not exceeding, the penal amount of this Bond.

FURTHERMORE, it is agreed that Surety shall have no obligation to Principal, Obligee or any other person or entity for any loss suffered by Principal, Obligee or any other person or entity by reason of acts or omissions which are or could be covered by Obligee's or Principal's general liability insurance, products liability insurance or completed operations insurance. In no event shall Surety be obligated to pay, in the aggregate, for all claims hereunder, an amount exceeding the penal sum of this Bond.

It is further agreed that Surety shall not be liable for any provisions of the Agreement or specifications respecting the procurement of or coverages provided by an insurance, nor shall Surety be liable under any hold harmless and/or indemnification agreements entered into by Principal in relation to personal injury or property damage or any other loss sustained by third parties in any way connected to or arising out of the work and/or operations of any party in performing the P&A Obligations.

If Principal fails to perform any of the P&A Obligations in accordance with the terms of the Agreement, then Principal shall have 30 days following receipt of notice of default from Obligee in which to fully cure or remedy such default. Obligee agrees to provide Surety with a copy of each such default notice. If the default covered by such default notice is not cured or remedied within such 30 day period, then upon the expiration of such 30 day period such default shall constitute a "Principal Default" for purposes of this Bond. Any suit under this Bond with

BOND NO. B008839

respect to a Principal Default must be instituted before the expiration of one (1) year from the date of such Principal Default, and subject to such one (1) year time limitation, Surety irrevocably consents to be sued in any court in the State of Texas, hereby irrevocably submitting itself to the jurisdiction of said courts.

No amendment of or supplement to the terms or provisions of the Agreement or of the Exhibits of Schedules attached thereto shall release Principal and Surety or any of them from their liability under this Bond, notice to Surety of any such amendment or supplement being hereby waived.

No (i) assignment of the Agreement or of the Lease by Principal, its successors and assigns, (ii) delay, neglect or failure of Obligee to proceed promptly to enforce the Agreement or to proceed promptly in the premises in case of any default on the part of Principal, (iii) lack of enforceability or other defense or offset right in respect of any obligation of Principal or right of Obligee under the Agreement or otherwise in respect of the P&A Obligations, or (iv) the insolvency, bankruptcy or receivership of Principal, shall in any degree relieve Principal or Surety (as applicable) of any of its obligations under this Bond.

HOWEVER, if upon assignment of the Agreement or the Lease or any of the Property by Principal, its successors or assigns, Principal shall cause its assignee (i) to post security with Obligee, in the form of a bond or other security, in the amount of and covering the same obligations as stated herein, and otherwise containing terms and issued by parties that are approved by Obligee and (ii) to assume (in a written instrument approved by Obligee) all P&A Obligations in respect of the Property, then Obligee will accept such security in lieu of this Bond and issue an unconditional release of this Bond within 60 days of Obligee's acceptance of such other security (provided, there shall be excluded from such release any obligations required to be performed by Principal or Surety under this Bond prior to the date of such assignment; and provided further, no such release of this Bond shall limit or modify any of the obligations of the Principal under the Agreement).

No right or action shall accrue on this Bond to or for the use of any person or entity other than Principal and Obligee and their respective successors and assigns.

This Bond may not be amended, supplemented or modified except pursuant to a written instrument duly executed by Principal and Surety and consented to in writing by Obligee, whether pursuant to the terms and provisions of the Assumption Agreement or as mutually agreed to by such parties. No course of conduct, dealing or performance shall amend, supplement or modify this Bond unless incorporated into a written instrument referenced in the preceding sentence. This Bond shall be governed by and construed in accordance with the laws of the State of Texas, excluding its conflicts of laws, rules and principles.

Obligee will issue a release of this Bond within a reasonable time period following the earlier to occur of (i) the full performance of the P&A Obligations by Principal and (ii) the full performance by Surety of its obligations under this Bond, but in no instance later than 30 days following Surety or Principal providing to Obligee evidence reasonably acceptable to Obligee reflecting that the P&A Obligations have been fully performed, together with an affidavit signed

BOND NO. B008839

by an officer of Principal attesting to such performance and identifying the Property associated with the performance of such P&A Obligations.

IN WITNESS WHEREOF, the Principal and Surety have executed this instrument under their seals this 5<sup>th</sup> day of June, 2014, the name and seal of each such party being hereto affixed and those presents duly signed by its undersigned representative pursuant to authority of its governing body.
